NORTHFIELD — One hundred concerts by 25 bands will be presented as part of the Vintage Band Festival Aug. 5-8 in Northfield.

Two bands have come from Europe — from Austria and Helsinki, Finland — while the others are from Minnesota, Illinois, Michigan, Pennsylvania and Maryland. Many use vintage instruments and dress in historic costumes for performances.

Concerts will be held in a variety of venues in Northfield and surrounding towns, from noon to night. Admission is free. A complete schedule is at www.vintagebandfestival.org.
